Indian Book Distributors (IBD) – Partner in School Excellence

Indian Book Distributors (IBD) is a trusted partner for schools, delivering a complete range of **books, stationery, and uniforms** for over many decades. With deep expertise in serving the education sector, IBD provides end-to-end solutions that ensure schools are well-equipped to meet the academic, administrative, and identity needs of their students. From **pre-primary** to **senior secondary** levels, IBD supports schools in building a strong culture of **learning, organisation, and institutional pride**.

👁️ **Vision:** To be the leading partner for schools in India, providing reliable and **comprehensive educational essentials** that empower learning, nurture growth, and strengthen institutional identity.

🎯 **Aim:** To simplify school operations by ensuring **timely, high-quality, and affordable supply of books, stationery, and uniforms**, thereby supporting schools in focusing on their core mission – education.

Mission

- ▶ To provide schools with curriculum-aligned books and customised academic resources.
- ▶ To deliver stationery solutions that meet classroom, student, and administrative requirements.
- ▶ To design and supply comfortable, durable, and identity-driven uniforms for students.
- ▶ To build long-term partnerships with schools through reliability, professionalism, and service excellence.
- ▶ To enhance the school ecosystem by being a one-stop solution for all essential needs.

Objectives

- ▶ To support schools with structured book distribution systems that align with their academic calendar.
- ▶ To supply a wide range of stationery, ensuring students and teachers have the tools they need for effective teaching and learning.
- ▶ To provide schools with uniforms that reflect their values, identity, and pride.
- ▶ To reduce the administrative burden on schools by offering consolidated supply services under one umbrella.
- ▶ To continuously improve supply chain efficiency for timely availability of all essentials before every academic session.
- ▶ To ensure affordability, quality, and consistency across all products and services.
- ▶ To strengthen trust with schools by maintaining transparency, responsiveness, and reliability.

About Indian Stationers & Uniforms

With our in-house manufacturing facility, we ensure complete control over the quality, comfort, and durability of school uniforms. This enables us to customise designs, as per the specific requirements of each institution, reflecting their identity with precision.

Alongside uniforms, we also provide a wide range of stationery, essentials, making us a one-stop partner for schools. Currently, we proudly cater to several prestigious schools across Uttar Pradesh through dedicated counters and supply networks.

In-House Manufacturing

- Customized uniforms based on school requirements
- All items of uniforms & stationery are available under one roof

COUNTER MODE

Books supplied after detailed school approval.

Extra sale days on demand.

Counters set up in schools for on-site distribution.

Labelled, shrink-wrapped packs with approved pricing.

SUPPLY MODE

We submit shrink-wrapped samples of the top 5 textbooks per subject, carefully selected by academic panels.

Each set is labeled with printed pricing and neatly packed class-wise for clarity and convenience.

Book sets are dispatched after school approval and tailored as per the school's preferred supply mode.

Our team coordinates with school staff for smooth distribution and supports the entire sales process.
